

Exhibit B-1: Schedule of Work (Milestones) 2014

The Trade Contractor shall commence the Work as of the date of the "Notice to Proceed" or the occurrence of a specified Milestone. The Subcontractor shall complete the Work in accordance with the Schedule appearing below. This milestone schedule is based upon the best information at hand at the time that it was prepared and may be changed to a schedule of specific dates as provided in Exhibit B-2 as the work progresses. Number of days noted below are to mean the number of consecutive working days.
